

Compliance Shield

Ongoing Protection for Your Business

\$89/month • Cancel Anytime

★ 30 Days FREE w/ Kit

What's Included

Automatic Manual Updates

When regulations change, we update your compliance manual automatically.

New Regulation Alerts

Get notified when new HIPAA, OSHA, or Texas regulations affect your business.

Annual Compliance Audit

Yearly review of your compliance program with expert recommendations.

Priority Email Support

Get answers to compliance questions within 24 hours.

Why Ongoing Protection Matters

Regulations change frequently. Without monitoring, your compliance manual becomes outdated—and you become vulnerable to fines. The Compliance Shield keeps you protected automatically, so you can focus on running your business.

How to Get Started

Add the Compliance Shield when you purchase your Compliance Kit to get 30 days free. Your protection begins immediately after your manual is delivered.
